Ferndale Library Offers Wide Array of Winter Activities for Kids on Mid-Winter Break

FERNDALE, Mich. (Jan 23, 2020)-- When public schools let out for mid-winter break, it can often lead to a bit of 'cabin fever' for families, with kids back at home for a solid seven days. Parents should know that the Ferndale Library has them covered. Starting on Monday, February 17, Ferndale's Youth Services Librarians will kick-off a full week of fun programs for children of all ages. These six unique programs offer entertainment, interactive crafts, music, movies, and magic!

There will be something for everyone in the middle of this wintry month, including a film for teens 16+ and interested adults, a community drum circle for families, and a laid-back afternoon where kids can watch cartoons with cereal. There will also be a hot cocoa bar, and a make-your-own Harry Potter Wizard Wand. The always entertaining Cameron Zvara, who fuses his abilities as a magician with kid-friendly comedy, will be performing on Tuesday, February 18, at 1 pm.

These events are designed to provide an outlet for kids to socialize with their peers, engage their creative sides, and to just unwind. The goal is to avoid having anyone zone-out during the longer-than-it-seems break from school by providing uniquely engaging projects and playtime to keep their minds occupied and stimulated.

The series begins on Monday, February 17, at 5 pm, with a movie screening for teens 16+, featuring The Black Power Mixtape 1967-1975. Zvara will perform on Tuesday, February 18, at 1 pm, and the Hot Cocoa Bar for kids starts at 2 pm on Wednesday, February 19. There is only one program that requires registration, and that is the Harry Potter Wizard Wands craft on Thursday, February 20, at 2 pm. Registration can be done by phone: 248-546-2504 - x. 694. Cartoons & Cereal will be hosted on Friday, February 21, at 2 pm, and Drummunity starts at 2 pm on Sunday, February 23.
