Library Board of Directors Regular Monthly Meeting

Thursday, December 17, 2020, 6:30 PM

Purpose for meeting electronically:

On March 18, 2020 the Governor signed the first of several Executive Orders temporarily suspending the Michigan Open Meetings Act (OMA) requirement that meetings of a public body be held at a physical place and require a physical presence at the meeting. These Executive Orders were issued to mitigate the spread of COVID-19 and to protect the public health while providing for the general public to continue to be able to participate in government decision making.

On October 2, 2020 the Michigan Supreme Court held the Governor did not have authority for issuing those Executive Orders after April 30, 2020 under the Emergency Management Act, MCL 30.401, et seq. and also held the Emergency Powers of the Governor Act, MCL 10.31 et seq. was unconstitutional. On October 21, 2020, the Governor signed Public Act 228, amending the Michigan Open Meetings Act and authorizing a public body to conduct a public meeting electronically by telephonic or video conferencing through December 31, 2020 for any circumstance, and between January 1, 2021 through December 31, 2021 for those circumstances requiring accommodation of members absent due to military duty, a medical condition, or a state-wide or local state of emergency or state of disaster as described in Public Act 228 of 2020.

Accordingly, the Ferndale Area District Library Board of Directors, in compliance with Public Act 228 of 2020, has decided to hold the Thursday, December 17, 2020 meeting electronically. As always, the public is invited to participate in the electronic meeting. The procedures are as follows:
